Mike Ness)

We're sitting here in this cell

Was what you did really a crime?

You know it's like a living hell

CHORUS

The judge says you have to serve time

It's the law that sets your bail

It's the law, you're in jail

Don't bother to try and fight

It's only a few more nights

He couldn't get it up for his wife

The deputy had a bad night

So he's gonna be pissed on the job and

He's gonna bum out your life

CHORUS
