"Reach for the Sky"

When I was young I was invincible
I found myself not thinkin? twice
I never thought about no future
It's just a roll of a dice

For the day may come
When you've got somethin? to lose
And just when you think
You're done payin? dues

And you say to yourself
?Dear God, what have I done??
And hope it's not too late
?Cause tomorrow may never come

Reach for the sky
?Cause tomorrow may never come
Reach for the sky
?Cause tomorrow may never come

Yesterday is history
And tomorrow's a mystery
But, baby, right now
It's just about you and me

You can run, you can hide
Just like Bonnie and Clyde
Reach for the sky
Ain't never gonna die

And I thank the Lord
For the love that I have found
And hold you tight
?Cause tomorrow may never come

Reach for the sky
?Cause tomorrow may never come
Reach for the sky
?Cause tomorrow may never come

So if you please take this moment
Try if you can to make it last

Don't think about no future
And just forget about the past
And make it last

Reach for the sky
?Cause tomorrow may never come
(Reach for the sky, I ain't never going down)
Reach for the sky
?Cause tomorrow may never come
(Reach for the sky, I ain't never coming down)

Reach for the sky
?Cause tomorrow may never come
(Reach for the sky, I ain't never going down)
Reach for the sky
?Cause tomorrow may never come
