Children are taught to hate, parents just couldn't wait
Some are rich and some are poor, others will just
suffer more

Have you ever been ashamed and felt society try to
keep you down?

I begin to watch things change and see them turn
around

Turn around, they'll try to keep you down

Turn around, turn around

Don't drag me down

Ignorance like a gun in hand, reach out to the promised
land

Your history books are full of lies, media-blitz gonna
dry your eyes

Have you ever been afraid, and felt society try to keep
you down?

I begin to watch things change and see them turn
around

Turn around, they'll try to keep you down

Turn around, turn around

Don't drag me down

Ignorance like a gun in hand reach out to the promised
land

Your history books are full of lies, media -blitz gonna
dry your eyes

You're eighteen wanna be a man

Your granddaddy's in the Ku Klux Klan

Taking two steps foward and four steps back

Gonna go to the White House and paint it black

Turn around, they'll try to keep you down

Turn around

Turn around, they'll try to keep you down

Turn around

Don't drag me down
