Story of my life

High school seemed like such a blur  
I didn't have much interest in sports or school elections  
And in class I dreamed all day 'bout a rock 'n' roll  
weekend

And the girl in the front of the room  
So close yet so far you know she never seemed to  
notice  
That this silly schoolboy crush wasn't just pretend

Life goes by so fast  
You only wanna do what you think is right  
Close your eyes and it's past  
Story of my life

Story of my life  
Story of my life  
The story of my life

And I went down to my old neighborhood  
The faces have all changed, there's no one left to talk  
to  
And the pool hall I loved as a kid is now a 7-11

And I went downtown to look for a job  
I had no training, no experience to speak of

And I looked at the holes in my jeans  
And I turned and headed back

Life goes by so fast  
You only wanna do what you think is right  
Close your eyes and it's past  
Story of my life

Story of my life  
Story of my life  
Story of my life

Yeah, good times come and good times go

I only wish the good times would last a little longer  
I think about the good times we had  
And why they had to end

So I sit at the edge of my bed  
I strum my guitar and I sing an Outlaw love song  
Thinkin' 'bout what you're doin' now  
And when you're comin' back

Life goes by so fast  
You only wanna do what you think is right  
Close your eyes and it's past  
Story of my life

Story of my life  
Story of my life  
Story of my life  
Story of my life  
The story of my life
