I was feelin' kinda beat  
I decided to hit the streets  
I was lookin' for a place  
For this heart of mine  
Well I said to myself  
"Oh God this must be hell"  
I think, I was slowly  
Losin' my mind

Well round and round she goes  
Where she'll stop nobody knows  
You know that woman  
Put a spell on me  
But if you start me, start me, start me  
You can't stop me stop me, stop me  
When she begins to rock  
Honey, I begin to roll

Well I was hangin' by the phone  
Tired of sleepin' alone  
Baby tell me  
Where did I go wrong?  
When minutes seem like hours  
And days seem like weeks  
How could a year last  
So fucking long?

Well round and round she goes  
Where she'll stop nobody knows  
You know that woman  
Put a spell on me  
But if you start me, start me, start me  
You can't stop me stop me, stop me  
When she begins to rock  
Honey, I begin to roll

Oh I was hangin' with a couple of chicks  
Man, I was just lookin' for kids  
I was lookin' for a place for this  
Raggedy old heart of mine  
Well I said to myself  
"Oh God this must be hell"

I think, I was slowly  
Losin' my mind

Well round and round she goes  
Where she'll stop nobody knows  
You know that woman  
Put a spell on me  
But if you start me, start me, start me  
You can't stop me stop me, stop me  
When she begins to rock  
Honey, I begin to roll

When she begins to rock  
Honey, I begin to roll
