There is something I wanna ask you
There is something that I want to know
And to this question, you have the answer
So tell me what I want to know

Do ya wanna funk ? Won't ya tell me now?
If ya wanna funk, let me show ya how
Do ya wanna funk with me ? Do ya wanna funk with me
?

So if I tell you that you're really something, baby
Will you stay or will you go away ?
And when I lay my good lovin' on ya
What will it cost me, baby ? What will you make me pay
?

Do ya wanna funk ? Won't ya tell me now?
If ya wanna funk, let me show ya how
Do ya wanna funk with me ? Do ya wanna funk with me
?

(Solo)

Do ya wanna funk ? Won't ya tell me now?
If ya wanna funk, let me show ya how
Do ya wanna funk with me ? Do ya wanna funk with me
?
