I bless, the day I found you

I want to stay around you

And so I beg you

Let it be me

Don't take this heaven from one

If you must cling to someone

Now and forever

Let it be me

Each time we meet love

I find complete love

Without your sweet love

What would life be

So never ever leave me lonely

Tell me you'll love me only

And that you'll always

Let it be me

To you i'll pray

Hear what i'm sayin

please let your heart beat for me for me just for me

Don't take this heaven from one

If you must cling to someone

Now and forever

Now and forever, now and forever

let it, let it, let it, let it, oh

Let it be me
