I'm never running low
On confrontation.
Well is it criminal?
Saying it is tainted.
So go figure
Figure it out.
Go figure
What it's about.

It's alright honey, it's alright
They must be blind.
Alright honey, it's alright
There's no disguise.
Now they're feeling so cold
Oh not feeling so bold
In the emperor's, emperor's new clothes.

I'm never running low
On expectation
It's so obvious
And oh so blatant

So go figure
Figure it out.
Go figure
What it's about.

It's alright honey, it's alright
They must be blind.
Alright honey, it's alright
There's no disguise.
Now they're feeling so cold
Oh not feeling so bold
In the emperor's, emperor's new clothes.

Alright honey, it's alright
They must be blind.
Alright honey, it's alright
There's no disguise.
Now they're feeling so cold
Oh not feeling so bold

In the emperor's, emperor's new clothes.
