[Intro: Tshawe]

I could go on and on, (shawty)
About That Girl,
I could go on and on,
(Yeah) I could go on and on About That Girl

[Verse 1: CL Smooth]

We'll never know pushing through Oslo,
This tight little oversea shawty was a unlocked though,
Slick part in the head to figure what it's all there,
Can't understand half of what you saying and don't
care,
Imma give her everything she want,
Everything she need is my pleasure indeed,
With both hands together wet clay sculpture,
Introudce me to another culture,
Sit up in the cafe laughing over some latte,
Late up in the flatten just old tune blaze,
Mixed into the haze the perfume aroma,
Once I let it touch me it's over,
I'm in another world with the broad sun here's some
real talk,
When I'm with her I don't miss New York,
So call me later I sent you a postcard,
With nothing but love CL is down.

[Chorus: Tshawe]

See high thang got me feeling the flavor,
I could go on and on About That Girl,
Sweet thang got me going insane,
I could go on and on About That Girl,
Got-got me feeling the flavor,
I could go on and on About That Girl,
Sweet thang got me going insane,
I could go on and on About That Girl.

[Verse 2: Son Of Light]

Shawty like to read them books,
She can't stand the hang with halfway crooks,
Hand me your look she's tight with the nookie,
Love it when I reach for the cookie,

Love it when it's night time flight time walking on silk
lights,
She a type of queen that nobody is built like,
See them haters is the club they don't feel right,
Cause when she walks into the room spotlight,
Walking on air she hot fronting the rear,
Can't stop talking to stairs not that I care,
Cause she be on that not like the pidgeons when we sit
around and discuss
Religion,
Love it when we talk about the world and political
issues,
Everytime on the phone I tell you I miss you,
We even break br'er when we fight to,
On the strenght baby nobody is like you.

[Chorus: Tshawe]

See high thang got me feeling the flavor,
I could go on and on About That Girl,
Sweet thang got me going insane,
I could go on and on About That Girl,
Got-got-got me feeling the flavor,
I could go on and on About That Girl,
Sweet thang got me going insane,
I could go on and on About That Girl.

About That Girl,
I could go on and on.

See high thang got me feeling the flavor,
I could go on and on About That Girl,
Sweet thang got me going insane,
I could go on and on About That,
High thang got me feeling the flavor,
I could go on and on About That Girl,
Sweet thang got me going insane,
I could go on and on About That Girl.
