And I do know there's a lot of press releases and
radiostations, and tv
Announcements
Are complaining about I talk to much, and I'm talking, I
need a good beat'n
And it is true that I do a lot of talk and everything I say,
I mean to back
It up.

Another doctor hip-hop Melissa
Does he know he's supposed to b-b-beat that spelling
Another doctor hip-hop Melissa
I'm paying my dutes to this game of tommorow
Another doctor hip-hop Melissa
Everything we mix is a classic
Another doctor hip-hop Melissa
Yo shit sounds classic
No matter what I say, some might go take it personal,
so fuck it
You reject the words of the minister
The state countries to countries
The official Tee Productions, beatriders.
I never need no gimmicks and shit, to get me over
Coming in takes forth door to door
And so the next time, when you wishing for my
downfall, imma come back to
Drown ya'll.

[Father Blanco]
From radioshow, with high rates, to mixtapes,
To pay fightfully earned for none of my creates, to high
stakes,
Cause I put 14 years in it final impress and final beats,
so we can spin
It,
And why see we all in it, I knew it had to pay off, hard
work is what it
May cause,
I never took a pause, always wanted to build long
nights behind boards was
Filled and faders killed,

And pushed on and begged, on a twelve ten sted,
serving 33 mc's of the
Head,
Create beats to travels the global globes (pff) hosted
by mc's that leaved
Bloodstains on your cloths,
NORTH FOLKS! Gettin' empty nas, props of stash,
people act funny over cash,
Don't make me laugh still waiting for my downfall.

Keep lookin at me l'mma spray some lights off in your
album.
