Am I your miracle?
Is this that kind of love?
I bet, you'd rather kill me
Instead of leaving home
Dry your eyes and see how I arrive
I've never felt this way before.

I don't care, don't let me die here.

[Chorus:]

Wait, you know I wanna
Wait, you know I'm gonna
It's like you want me to
It's like you want me to stay
You know I'm gonna stay
You know I wanna
It's like you want me to,
It's like you want me to fail

Am I eccentric?
Exactly what you want?
You'd rather give me up
I'm all alone, yeah
I'm alive, just see how I arrive
Am I someone that you adore?

I don't care, don't let me die here.

[Chorus:]

Wait, you know I wanna
Wait, you know I'm gonna
It's like you want me to
It's like you want me to stay
You know I'm gonna stay
You know I wanna
It's like you want me to
It's like you want me to fail

Yeah...

Fail, fail, fail!

I know you want me to fail.

So dry your eyes,
Cause I know you don't care
Don't let me die here.

[Chorus:]

Wait, you know I wanna
Wait, you know I'm gonna
It's like you want me to
It's like you want me to stay
You know I'm gonna stay
You know I wanna
It's like you want me to
It's like you want me to fail

You know I wanna,
You know I'm gonna
It's like you want me to,
It's like you want me to stay
Stay...
It's like you want me to,
It's like you want me to fail

Fail... it's like you want me to fail.
