[Verse 1: Mira Craig]

Mr. Plumber, Mr. Plumber won't you help me I got a leak,

Say won't you lay that pipe by the bathroom and the kitchen scene.

Mr. Doctor, Mr. Doctor won't you come check on me, I'm feeling hot and bothered and I need a house call round 3.

[Chorus: Mira Craig]

Work For Me, Work For Me, Work Work For Me

Work For Me, Work Work For Me,

Work For Me, Work Work Work For Me,

Say won't you Work For Me, Work work work For Me,

Say won't you work it for me, Work work for me.

Work, work, work, work

[Verse 2: Mira Craig]

Mr. Butcher, Mr. Butcher won't you come and give me some meat,

I've got a huge appetite and I'm ready for a real nice treat.

Mr. Officer, Officer put your handcuffs on me,

I've been a bad little girl and I need a real good spanking.

[Chorus: Mira Craig]

Work For Me, Work For Me, Work Work For Me

Work For Me, Work Work For Me,

Work For Me, Work Work Work For Me,

Say won't you Work For Me, Work work work For Me,

Say won't you work it for me, Work work for me.

Work, work, work, work [x2]

Work, work, work, work

Work, work, work, work

Work, work, work, work
