Ya this Lil Wyte layin' it down for that ACP  
We 'bout to throw these boys in a motherfuckin mosh  
pit  
For those of y'all who don't know what a mosh pit is  
It's just a bunch of drunk, ignorant motherfuckers  
Gettin' the shit whooped out of 'em to some music, you  
know what  
I'm sayin?

[Refr?o: repeat 2X]

Throw 'em in the mosh pit!  
Stomp 'em in the mosh pit!  
Swing your motherfuckin fists and beat em in the mosh  
pit!

It's the Juice, up in the club  
So raise your set high in the air and show me love  
We drinkin' beer, we smokin' pere  
It's just alive and three 6 mafia in your ear  
We sippin' syrup, you might get hurt  
We snatchin' bitches beatin' 'em down in the dirt  
We dumpin' fur, we throwin' chairs  
So if you scary get your ass up out of here

Now show them golds, and swing them bows  
Take your shirt off and commence to whippin' hoes  
We got that danger, built for a stranger  
Your boys scared to fuck with us but I don't blame 'em  
They swingin' knives, they poppin' guns  
Roll with them punches motherfucker don't run  
Swing back (swing back! ), pop back (pop back! )  
Clear the room motherfucker like click click (boom! )

Refr?o

Here I come, an only son  
I'm goin' straight out the ghetto to number one  
I'm gettin' higher, I'm on fire!  
So all you haters better get ready to retire  
I'm on the scene, I keep it mean  
I went from having no cheddar to bling bling

I got some ice, I'm never nice  
And I'm a killer so don't make me say it twice  
Straigh
