I'm not sick, I'm just a boy  
Sifting through the newfound lie  
And I'll be crawling through these ashes and dissecting  
all these flies  
Since the sun has died and it is still somewhat July  
Is this all the world has to offer?  
And I don't know how much you thought I'd be  
It turns to ashes on me  
One more piece inside these lines  
Deeper harms my disguise  
And everyone is different so everyone is sly  
And everything's still horrible since everyone still dies  
Is this all the world has to offer?  
And I don't know how much you thought I'd be  
It turns to ashes on me  
Is this all the world has to offer?  
It turns to ashes on me  
No one is safe
