Life could be a dream
If I could take you up in paradise up above
If you would tell me I'm the only one that you love
Life would be a dream sweetheart

Life could be a dream
If only all my precious plans would come true
If you would let me spend my whole life loving you
Life could be a dream sweetheart

Now everytime I look at you
Something is on my mind
If you do what I want you to
Baby, we'd be so fine

Life could be a dream
If I could take you up in paradise up above
If you would tell me I'm the only one that you love
Life would be a dream sweetheart

Sh-boom Sh-boom ya ya dadada x6

Everytime I look at you
Something is on my mind
If you do what I want you to
Baby, we'd be so fine

Life could be a dream
If I could take you up in paradise up above
If you would tell me I'm the only one that you love
Life would be a dream sweetheart

Life could be a dream
Life could a dream sweetheart

Life could be a dream
If I could take you up in paradise up above
If you would tell me I'm the only one that you love
Life would be a dream sweetheart
