Now I'm haunted by dreams of you  
And all of the things that we've been through  
I'm sorry is nothing new  
I'm haunted by dreams of you

'Cos you was on our road  
The day we were told  
That you are not coming home

I'm haunted by dreams of you  
I'm haunted by dreams of you

'Cos you was on our road  
The day we were told  
That you are not coming home

Now I'm haunted by dreams of you  
I'm haunted by dreams of you

But I'd had a drink, it's not what you think  
You mis-read what I said, and left me for dead  
And you was on our road  
The day we were told  
That you are not coming home
