Have you noticed i've never been impressed  
by your friends from new york and london  
i'll level accusations like the press  
until you realise that you've dressed yourself in tatters

because the men's needs  
men's needs  
are full of greed  
full of greed  
a men's needs  
men's needs  
are lost on me

a men's needs  
men's needs  
are full of greed  
full of greed  
a men's needs

i'm not bothered  
what you say or how you dress  
i'm a mess so you've always seemed embarrassed  
but really  
this all seems quite meaningless and i remember  
that you never seem to see

the fact that men's needs  
men's needs  
are full of greed  
full of greed  
a men's needs  
men's needs  
are lost on me

a girl's needs  
girl's needs  
just don't agree  
don't agree  
with man's needs

have you noticed i've never been impressed by your

friends from new york and london?  
but really this all seems quite meaningless and i  
remember  
that you never seem to see

the excuse that man's needs  
man's needs  
are full of greed  
full of greed  
a man's needs  
man's needs  
are lost on me

you say your man's needs  
man's needs  
have lots on me  
i don't agree  
a man's needs  
oh oh oh oh
