You aren't allowed to say that you're better
You aren't allowed to say that cos you're the hipster
type (the type woo oh)
You've got a lot to say, but don't mention
The mirror kissing ways of the hipster type (the type
woo oh)

You aren't allowed to say anything
We kicked around down water lane
But you're not all there
You aren't allowed to say anything
You left me on the street, talking to the drains
Cos you're not all there

You aren't allowed to say that you're better
You aren't allowed to say that cos you're the hipster
type (the type woo oh)
You've got a lot to say, but don't mention
The mirror kissing ways of the hipster type (the type
woo oh)

You aren't allowed to say anything
We kicked around down water lane
But you're not all there
You aren't allowed to say anything
You left me on the street, talking to the drains
Cos you're not all there

You aren't allowed to say that you're better
You aren't allowed to say that cos you're the hipster

You've got a lot to say, but don't mention
The mirror kissing ways of the hipster type (the type

You like to tell yourself that I'm nobody
I think you must have known I'd make you sorry
You like to tell yourself that I'm nobody
I think you must have known I'd make you sorry

You aren't allowed to say that you're better

You aren't allowed to say that cos you're the hipster
type (the type woo oh)

The mirror kissing ways of the hipster type (the type
