I know, 'cos i've seen it  
It was great and I want it  
There's no point sitting going crazy on my own

Do you know what  
I was put here in the world for?  
Could you tell me, every word or more

It's the only way, of getting out of here  
It's the only way, of getting out of here

Take a lesson from the ones that have been there  
My brain is not damaged  
But in need of some repair

Hold on, to the basics  
But we can't change all our tactics  
There's no point sitting going crazy on your own

It's the only way, of getting out of here  
It's the only way, of getting out of here

This is the modern way  
Faking it every day  
Taking it as we come  
We're not the only ones  
Is that what we used to say?  
That this is the modern way

I know, where i'm going  
And that we are, ever knowing  
And I will, stop at nothing  
Just to get what, i want

It's the only way, of getting out of here  
It's the only way, of getting out of here

This is the modern way  
Faking it every day  
Taking it as we come  
We're not the only ones

Is that what we used to say?  
This is the modern way

This is the modern way  
Faking it every day  
Taking it as we come  
We're not the only ones  
Is that what we used to say?  
This is the modern way
