She arrives in all her splendor each night at nine  
o'clock  
Her chariot is the crosstown bus that stops right down  
the block  
Now the old piano minstrel plays her tune as she walks  
in  
And the Queen of the Silver Dollar's home again

Chorus: She's the Queen of the Silver Dollar  
She rules this smokey kingdom  
Scepter is a wine glass and a bar stool is her throne  
Now the jesters flock around her tryin' to win her  
favors  
To see which one will take the  
Queen of the Silver Dollar home

Now her royal dress is satin it's shabby and it's torn  
Her royal jewels are rhinestones her shoes are scuffed  
and worn  
Of the many roads she's been down, and the places  
that she's seen  
Well, they all look at her and say God save the queen

Chorus:

Now the Queen of the Silver Dollar is not as haughty as  
she seems  
She was once an ordinary girl with ordinary dreams  
But there's a man who found her and he brought her to  
this world  
He's the one who made a queen of a simple country  
girl

Chorus:
