Star Wars  
Fancy dress and shoes that she bought from boutique  
shoes  
The way she moves she moves like she moving on the  
dance floor  
Tone core  
In that dime way  
ClickÃ©  
Girl running through my mind all day  
Sit back watch me make my play  
Yo Yo You heard me say  
She got a bo ho ho tay  
Girl swinging naughty on my dick  
I got a wing girl for your wingman, Maverick  
Abra--cadabra  
808s and magic  
All this cash and I walk the line for you, tragic

Girl you got that special thing, you know what I'm  
thinking

Creep up from behind you baby tell me what you  
drinking  
After hour parties going to show you how I do things  
Sitting in floor seats  
Trashing these hotel suites  
Fucking on silk sheets  
Name up on the marquee  
Roll with me  
Goose, Juice, and Hennessy  
To the keys packing  
Deals with a backend  
Staring at your backend  
Money stay stacking  
Let me hear you clapping

I'm-a make her hips shake  
Ma Ma make her hips shake  
X4

She got a booty ba ba ba booty  
She got a she got a booty  
She got a booty ba ba ba booty  
She got a she got a booty  
She got a booty ba ba ba booty  
She got a she got a booty  
She got a booty ba ba ba booty  
She got a she got a booty  
Booty, Booty, Booty

I come on this scene like a jumping bean  
Crashing club walls, no green screen  
Made your hips shake, I'm-a step in-between  
I'm so fresh to death, Mr. Clean  
Take a breath, ha ha Listerine  
Ass bounce like a trampoline  
Shotgun in the Lamborghini  
Now come on girl make a scene  
She's rolling with that booty  
Getting low with that booty  
Touch the floor with that booty  
Stop the show with that booty  
Now let the beat raise ya  
Not trying phase ya  
Just trying to amaze ya  
Dirty dance Patrick Swaz ya  
Ya Ya got a booty.
