[Hook]

Smell about a millie, everything's a go  
I'm the talk of my city  
Big bottles of that diddy, bad bitches with me  
Talking bad bitches with me, (wassup)  
Smell about a millie, smell about a millie (wassup)  
Big bottles of that diddy, bad bitches with me, bad  
bitches with me (wassup)

All the raw niggas with me, the bad bitches dig me  
I be riding through my city, blasting jeezy or that biggy  
Thug motivation, all that ready to die  
See them jeans with the wings, got my swag in the sky  
Bottles of the diddy, syrup in my sprity  
The kush got me wavy, but the purp's got me itchy  
Blowing grams in my city, I'm the man in my city  
All that fake ass flexin get you jammed in my city  
10 stacks for sneaks, lil strapped with the heat  
Screaming fuck Gucci Mane, this is back to the beef  
Ice cream on your face, cold dickhead  
Cte a nothing, we getting rich here

[Hook]

Smell about a millie, everything's a go  
I'm the talk of my city  
Big bottles of that diddy, bad bitches with me  
Talking bad bitches with me, (wassup)  
Smell about a millie, smell about a millie (wassup)  
Big bottles of that diddy, bad bitches with me, bad  
bitches with me (wassup)

Bottles getting bored, kush getting burnt up  
These niggas twitting and blogging, they can't hurt us  
These niggas rappers, acky, they ain't murderers  
Whole bunch of retards, incomplete g cards  
I'm running with the realest, I ain't worried bout the  
peons  
Silly nigga who mob tod in every hood  
I'm everywhere, they never there, I wish they would  
I went from world star to a world star  
Fly nigga getting head in your girl car

Big bad shit, about 100 tats, it's the world on nigga  
Brought the real back, up
