(Verse)

Hit the club bottle,bottle like an ace nigga  
Mo' money mo' problems like a maze nigga  
White gold rolley,big face nigga  
Hit the club bottle,bottle like an ace nigga  
Mo' money mo' problems like a maze nigga  
White gold rolley,big face nigga  
Nutty holmes shit, he beat his case nigga  
I get up in the morning I go and chase the paper  
Ain't never been no sucker, ain't never been no hater  
As far as me, I'm winning like I'm s'posed too  
Red bentley the tag say I told you  
West phillie hustle,south beach law  
California weed,smoking like a boss  
5 dollar hate, never been a fraud  
Tell by your raps never been a boss  
Looking like I'm rich but I hussle like I'm broke nigga  
Make nuisance for them nigga cause he dope nigga  
Gold diggers, crappers,world bunch of dope nigga  
Gold diggers, crappers,world bunch of dope nigga

(Hook x2)

I'm fresh killing,looking like a million dollar  
All eyes on me when I step up in the building  
All my niggers mobbin'  
All these souls thrilling now  
I don't care what they doin' over there 'cause we  
winning

(Verse)

Pull up at the club coupe or doors  
The roof and the trump  
The shooters got  
Pull up at the club coupe or doors  
The roof and the trump  
The shooters got all gloves  
The G on ,lock  
The 7 on snub  
Chrome bulldog make your bullshit,pause  
Say the bullshit all for paying for laws  
SP in this bitch don't make us go off

You niggers poppin' bottles  
My niggers poppin' off  
We don't leave shit, we buy the whole car  
While you at the auction  
We back off them austins  
Landrovers, porsches  
Coupes with the horses  
Clothes got them too  
Purple labeled fauces  
Do pop registry auto trade nigga  
Flawless legacy all you hating niggers  
Back up off me for the cat come about me  
The silence is real tight  
Killing niggers softly  
Bitch get off me, I'm so fucking bossy  
I said bitch get off me I'm so damn

(Hook x2)

I'm fresh killing, looking like a million dollar  
All eyes on me when I step up in the building  
All my niggers mobbin'  
All these souls thrilling now  
I don't care what they doin' over there 'cause we  
winning
