Operation 'Ranch Hand'
Spray down the death
Down on their farms
Assault against the population

Suppress by military arms
Only you prevent the forest
Legalize the war, they are deprived of their power
Eradication without law

Agent Orange
Agent Orange
Agent Orange
A fire that doesn't burn

All the marks erased long ago
Scars are healed up
Cancer creeps into their innocent souls
Memorials of flesh and blood

Have survived unlawfully punished
Poisoned till the end of their lives
Physical deformity, what medicine will help?
Still births will rise

Agent Orange
Agent Orange
Agent Orange
A fire that doesn't burn

Grieved weak hearts are crying
Waiting for the end
In this condition they are dying
Newborns of the damned

Preserved in test tubes for generations
Vicious circle of transmission
There's no way for reparations
Must live with chemical agent called

Agent Orange
Agent Orange

Agent Orange
A fire that doesn't burn

Agent Orange, burn
Agent Orange, burn
Agent Orange, burn
