

Sodom "Cannon Fodder"

I feel like someone's watching me
Don't know where the enemy is
The night brings bad dreams to my mind
Maybe the girl that's by my side

Potential killers extremely mauled
Machine gun fire all around
Into the eye of a hurricane
The ultimate end

I got no power to survive
Empty thoughts of suicide
Psychotic wounds that never heal
You put the crown of thorns on me

Cowards in the grip of fear
A fox the chicken disappear
Creation of the lifeless rules, no return

All my heroes fighting legions
Crucified in flames, cannon fodder
Rivers of red, Russian roulette
Gambling hypocrites, cannon fodder

No scream will ever intimidate
Upon the dark side of a man
Walk among the bursting grenades
Ghosts of Vietnam penetrate

Burning towns up over there
Teaching freedom death parade
Snipers pointing accurate
Living on the edge

All my heroes fighting legions
Crucified in flames, cannon fodder
Rivers of red, Russian roulette
Gambling hypocrites, cannon fodder

I feel like someone's watching me
Don't know where the enemy is
The night brings bad dreams to my mind

Maybe the girl that's by my side

Potential killers extremely mauled
Machine gun fire all around
Into the eye of a hurricane
The ultimate end

All my heroes fighting legions
Crucified in flames, cannon fodder
Rivers of red, Russian roulette
Gambling hypocrites, cannon fodder

All my heroes fighting legions
Crucified in flames, cannon fodder
Rivers of red, Russian roulette
Gambling hypocrites, cannon fodder
