Rape, Abuse, Pain, Might

Defloration, penetration  
Laughing silence, glowing eyes  
Defloration, excruciation  
Heartbeats like a distance fight

Fear, Greed, Desire, Lust

Defloration, penetration  
Laughing silence, glowing eyes  
Defloration, excruciation  
Heartbeats like a distance fight

Awaking the beast, ready to kill  
Branded nightmare on your skin  
Sacrifice, you're number one  
Sinners delight, don't try to Run  
Seeking the blood, no control  
Coming through  
Let it flow  
Defloration, penetration  
Defloration, penetration

Your fate is sealed, around this night  
For whom you cry, You pay the price  
Just you and me, there is no lord  
I'll curse You  
To another world  
To another World

Flesh, Tears, Smell  
Screams, Blood, Dead

Defloration, penetration  
Laughing silence, glowing eyes  
Defloration, excruciation  
Heartbeats like a distance fight
