Sudden gleams arise the sky  
Rulers of the global fire  
Death in perpetuity  
To contaminate the clean

Spiteful anger  
Devotion carved in stone  
There is no  
Redeemer  
Darkened skies above

Hellfire  
Hellfire  
Hellfire

Can't push my face into the ground  
Trapped and collapsed internal parts  
Watch the fading blood red lights  
Avert from moon and stars

Thrashing the tomb  
To reveal what is inside  
Disfigured  
Rotten corpses  
Leaving crucified

Hellfire  
Hellfire  
Hellfire

They sleep the wrath of aeons  
Life that drowned in fire  
With ghosts and the ancient stones  
Leave the sentenced fate behind

Haunt the dreams in endless wars  
Praying for the day of doom  
Never find somebody's lap  
To die into

Sudden gleams arise the sky

Rulers of the global fire  
Death in perpetuity  
To contaminate the clean

Hellfire  
Hellfire  
Hellfire  
Hellfire
