

Sodom "Liquidation"

Visit "[Liquidation](#)" on MotoLyrics.com

They penetrate your skin
No more vitalities
Feeding your mind with fear
Smell of death is coming near

Squeezing out your blood
Life dragging through the mud
Dissection of your brain
Pumpin' up the lead

They suffocate my flame of life
Ceremonial desecration
Death is now so close to me
Liquidation

The sound of ripping flesh
No chance for your defense
Languishing hungry guns
Return the hellish sacred flame

Unyielding hateful wrath
No confidence in God
Another breed behind
They'll leave you where the others lie

They suffocate my flame of life
Ceremonial desecration
Death is now so close to me
Liquidation

Incapability
Escape your destiny
The rhythm of your heart
No more salvation to go on

Trapped in an ice cold blaze
Your carcass starts to mate
Love finds a graceful end
The devil incarnates

They suffocate my flame of life
Ceremonial desecration

Death is now so close to me
Liquidation

They penetrate your skin
No more vitalities
Feeding your mind with fear
Smell of death is coming near
