

Sodom "No Way Out"

Visit "[No Way Out](#)" on MotoLyrics.com

Your touch is like a snakebite kiss
Your love is like a boon
A leader in my haggard dreams
Emotions of a fool

No way out

I'm spoiling you with my prurience
My sadness disappears
The way you told me bedside stories
Still pleasant to my ears
A willing and addictive girl
Wide open legs so tempting
The gleaming of her greedy eyes
Seduced me to come back

Your touch was like a snakebite kiss
Your love was like a boon
The leader in my haggard dreams
He passes me the gun
