In their unity demons enlogied god  
Loose craftiness and scorn  
Firesnakes reel around merkurs staff  
Lightnings praise let glow in jows sing  
Souls return to visit isolated graves  
The moment came where circles angulars burn  
NUCTEMERON  
Lights of darkness  
Hour of witchcraft and sorcery  
Heavenly shpere voice strike up  
NUCTEMERON  
High magics memorial  
NUCTEMERON  
Creators perfection  
NUCTEMERON  
NUCTEMERON  
A fire that gives life to all animate  
creatures  
Ledded from will clear men  
Initates exhault handsand your sorrow get allayed  
Chains of agree let nature square  
The key to astronomical leyple for you  
Geniens wings move with mysterious voice  
Twelve hours implorious  
Percieve the strength of genien  
And the personify virtue  
NUCTEMERON  
Lights of darkness  
Hour of witchcraft and sorcery  
Heavenly shpere voice strike up  
NUCTEMERON  
High magics memorial  
NUCTEMERON  
Creators perfection  
NUCTEMERON  
NUCTEMERON  
Carry gods message from one world to another  
And the deed of eternal fire is done  
Subbdue your bad attributes and  
All phantomes of imagination  
Understand the harmony of four elemental forces  
Hierarchy of occultism lession

Ghosts would beware of great favour  
In their power and freedom invincible
