Warriors of hate  
Ready for the slaughter  
Hellish balls of fire  
No promise to surrender  
Rising from the dead  
Possessed by bestial lust  
Pain and despair  
Around the godless Gods

Sons of hell  
The sons of hell  
Can't you hear their screams  
Sons of hell  
The sons of hell  
Nightmare to your dreams

Satanic rituals  
The sin we gonna pray  
Reaper's breath is near  
The devil's endless reign  
Thousand deads there lie  
Murdered by the sword  
Demons and their bodies  
Delivered by the Gods

Sons of hell  
The sons of hell  
Can't you hear their screams  
Sons of hell  
The sons of hell  
Nightmare to your dreams

Searching for your haunted soul  
Burn them in the silent night  
You are the chosen one to die  
You are the final sacrifice  
There is a world of endless pain  
Created by the denials  
They will return to hell and back  
No more time to pray

Walls of fire

No surrender

Possessed by evil  
Lords of Satan

Possessed by evil force  
There is no escape  
Victims of your sins  
Last human race  
Candles all around  
Within forgotten souls  
Claws of Lucifer  
Satan's work is done

Sons of hell  
The sons of hell  
Can't you hear their screams  
Sons of hell  
The sons of hell  
Nightmare to your dreams
