The sin Of SodomÂ...

The final sign ofÂ...

Desert plains, the human race  
Guilty breed, no love, just hate  
Mighty lord, holy lot  
Abraham, sulfur rain  
Sulfur rain

A city on the desert plains  
Defied by human race  
Immortal life and sacrifice  
Bring 'em to their knees  
Armageddon's battlefield  
Rising up the pentagram  
Victims of a wicked world  
Satans war machine is done

The sin of Sodom  
The curse of God  
Revenge for proud disgrace  
The sin of Sodom  
The curse of God  
Destroyed the world in just a day  
Destroyed the world in just a day  
Destroyed the world in just a day  
In just a day

Lord rained down the burning sulfur  
Punished to the guilty breed  
Separate the human nature  
Replace the love into the hate  
Walking through eternal fire  
Realized that they have to fail  
Delivered them from blind desire  
Leave the death behind

The sin of Sodom  
The curse of God  
Revenge for proud disgrace  
The sin of Sodom

The curse of God

Destroyed The World In Just A Day  
Destroyed The World In Just A Day  
Destroyed The World In Just A Day  
In Just A Day

The sin of Sodom  
The sin of Sodom  
The sin of Sodom  
The sin of Sodom

Holy men virgins cry  
Pregnant by their father's seed  
There is no Prayer to survive  
Deep inside misdeeds  
The sky felt down to cover up  
Burning flames that rise will be  
Devastation of the Gods  
To set the spirit free

The sin of Sodom  
The curse of God  
Revenge for proud disgrace  
The sin of Sodom  
The curse of God  
Destroyed the world in just a day  
Destroyed the world in just a day

In just a day
