The malediction of a wicked breed
Total exhibition by political supreme
They look away and keep restrained 'cause money
doesn't smell
Don't wanna hear the cries, forever damned in Hell

Mind decapitation, TV strangulation
Insane misdeeds without a trace
Nobody sees your smiling face

Visual buggery
Visual buggery

Barbarically electrified by terror and by pain
Consuming the irreverence, enjoyment for the brain
Deprivation of a brutish world where death is still
refined
Improving the occasion, corroded from inside

Mind decapitation, TV strangulation
Insane misdeeds without a trace
Nobody sees your smiling face

Visual buggery
Visual buggery

Visual buggery
Visual buggery

You lock the doors, still breathing hot with penchant for
decease
Fingers crawling to the place where the serpent live
Incinerated feelings, unscrupulously dumped
Fingers crawling to the gun to seal your morbid fate

Mind decapitation, TV strangulation
Insane misdeeds without a trace
Nobody sees your smiling face
