

S.O.D. (Stormtroopers Of Death) "Kill Yourself"

Visit "[Kill Yourself](#)" on MotoLyrics.com

Can't take it, never could
Time to end it, wish you would
Friends and family, they're all gone
Life for you is just a con
Dig yourself a hole in the ground
Push up daisies six feet down
Take a dirt nap, buy the farm
Inject a bubble in your aim

CHORUS:

Kill yourself, kill yourself!
Why don't you kill yourself?
Don't rely on no one else
End it all just kill yourself!
Life is just a one way ticket
Everyone must go around
Here's bucket go and kick it
Slit your wrists without a sound
When you go don't make a big deal
No dramatics, don't overplay
Cause don't you know that we'll all feel
Better once you're gone away

CHORUS - MOSH PART

You're a loser, there's nothing left for you
A worthless loser, at everything you do
