Can you do the Milano Mosh?

You think that, you're really hard
You think, that you can mosh
Got your suspenders, and got your boots
Better wear armor, you [Incomprehensible] fool
We mosh, until you die
We mosh, until you fry
You think, that you can try
But can you do the Milano Mosh?

You think that, you're really hard
You think, that you can mosh
Got your suspenders, and got your boots
Better wear armor, you [Incomprehensible] fool
We mosh, until you die
We mosh, until you fry
You think, that you can try
But can you do the Milano Mosh?

Mosh, mosh
Mosh, mosh
