It doesn't matters how you wear your hair  
It's what inside your head  
United Forces stand for all strong and fair  
Black, white and yellow and red

[CHORUS]

UNITED (forces) UNITED (forces) UNITED  
UNITED (forces) UNITED (forces) UNITED

Skinheads and bangers and punks stand as one  
Crossover to a final scene  
United forces and their job won't be some  
Until the world can see

CHORUS: No rednecks, no jocks, no macho bullshit  
attitudes  
United forces can't be stopped - REPEAT TWO TIMES
