What are you taken  
Misleading again  
And that face that you're making  
You  
Better clean it when you can can can

We're gonna suffer  
Inquisition from the pharisees  
I know you didn't mean to move by  
And leave me to take the blame  
Let them right  
What was left of me

And the REASON I get this  
The REASON I get this  
Way  
I don't know - I don't know

Come in relax and have a seat  
You look sort of nervous and ashamed  
I know you've never seen the fall guy  
Take the dive and wear the scar  
But trophy the pain

YOU BETTER BELIEVE I WATCHED YOU SUFFER

and the REASON I get this . . .

but is it worth the pain

I know  
the reason I get this  
the reason I get this  
the reason I get this way everyday  
the reason I get this way  
and the reason I get this way  
I don't know, don't know  
The reason I get this way
