Hurts like the Devil
Not having you around
To wake up in the morning
Be without the sound
If you're breathin deep and easy
Right before my eyes
Oh you left too soon and I wonder if you were
Just a nice surprise
Oh it really seems like it's just a dream
Oh can I really believe my eyes.

I love to write you letters, speak my heart to you
But I lost your number baby
So what am I to do
With this feeling deep inside me like
Honey in the sun

Oh you left too soon and i wonder if you
Were just a nice surprise
Oh it really seems that it's just a dream
Or can I believe my eyes.

Yes waterfall of dreaming and darling it's you that's on
my mind
If you're thinkin of me than I hope your thoughts are
kind
Cause it

Hurts like the Devil
Not having you around
To wake up in the morning
And be without the sound
If you're breathin deep and and easy
Right before my eyes
Oh you left too soon and I wonder if you
Were just a nice surprise
Oh it really seems that you're just a dream
or can I believe my eyes

Yes and waterfall and dreamin it's you that's on my
mind

If you're thinking of me than i hope your thoughts are
kind
Cause it hurts like the devil not having you around
To wake up in the morning
And be without the sound
If you're breathin deep and and easy
Right before my eyes
Oh you left too soon and I wonder if you
Were just a nice surprise
Oh it really seems that it's just a dream
Or can i believe my eyes?
