Mister bluebird on my shoulder
It's a good day 2 die
Thank god it's Friday
It's a good day 2 die
Time to see the other side
It's a good day to die
Hokahey hokahey!
It's a good day 2 die

Cause you said that you loved me
It's a good day to die
And I love to see u smiling
It's a good day 2 die
Don't understand anyway
It's a good day 2 die
It's all the same everyday
It's a good day 2 die...

They say the proof is in the puddin
It's a good day 2 die
A hard day at the office
It's a good day 2 die
Next door neighbour's in the news
It's a good day to die
And every next man is a terrorist
It's a good day 2 die
It don't have to be the truth
It's a good day 2 die
Just as long as you believe it
It's a good day 2 die
Life flows on like a river
It's a good day 2 die
And my head's getting heavy
It's a good day 2 die...

Every house has it's ghosts
It's a good day to die
Which one bothers you the most
It's a good day to die
Between a rock and a harder place
A good day to die
What a world, what a world...

It's a good day to die

Mister bluebird on my shoulder

It's a good day to die

Thank god it's Friday

It's a good day to die

Time to see the other side

It's a good day to die

Hokahey hokahey!

It's a good day to die

Time to see the other side...

Between a rock and a harder place...

Life flows on like a river...

It don't have to be the truth...

Just so long as you believe it...

Hokahey hokahey!
