When the world spins off and comes after
When it's all for quick and your body moves
... and seen nobody plastic, who at company party
In my mind I'm just a child,
Tryin off meet on the screen
It's a rip in the big water
There's no way coming around me

Oh no, oh no, oh no, oh no

I can hear the sound of your voice
I can fear it from the east
I could bring you out for a... no no
No no, no no

Feels like you don't want you move on with all the rest
You said oh no, you spend too much time pretending
Eh eh eh, show one to but it won't be fair
I never fight with the one told man
Gotta other see don't call me back
You got nothing to hope
I do, uh

Gotta make the peace so I'm coming back
Well baby you're gone, oh
Wanna make you feel so bad
Gotta make you work for all the bottles in your purse
And I don't think that I don't know 'cause I'm not anyone
at nine
At nine, at nine, at nine, at nine ohh

Uh uh uh uh

You've got to be...
