Lay down that cane and start moving
While you can get out of your chair
Put on those shoes and start walkin'
Be proud of the gray in your hair.

Well I hope you see what I'm sayin'
Einstien could very well be right
That man's greatest victory is dyin'
Don't never give up without a fight

Said you know how it feels to be lonesome
You know what it means when you're blue
There ain't no use to sit and worry
For there ain't nobody worryin' about you.
