Whoa, whoa, whoa, whoa,
(You know that I love you)
Whoa, whoa, whoa, whoa, whoa
(You know that I love you)
Whoa, whoa, whoa, whoa
(More than anything)

We've been living in here, two years
You've been wearing this ring, one year
Times good, times bad You said I'm down for whatever
Say down for whatever, say,
Telling me that you've changed your mind
Said that I ain't been giving you time
Hustlin' morning till night, all the time
I know what you're feeling but you can't say

You can't say That I'm not there
You can't say That I don't care
You can't tell me I don't love More than, more than
anything

You can't say That I'm not there
You can't say That I don't care
You can't tell me I don't love More than, more than
anything

Now you're running the streets, all night,
Where you been and you say, you're mama's house
I find it hard to believe When you say whatever And
then you say get over it
They say absence makes the heart grow fonder
But it ain't working for me and I wonder
Why you treat me so bad, so bad?

You can't say That I'm not there
You can't say That I don't care
You can't tell me I don't love More than, more than
anything

You can't say That I'm not there
You can't say That I don't care

You can't tell me I don't love More than, more than
anything

More than the money I got
More than the cars I drive
More than this ice you see, you see Are you down for
whatever? I'm still down for whatever
say More than this house I live
Everything I got I'll give
Let me lay it on the line Girl hear me out, out, out, out
-aca
