Scarred

I was cruel  
and unkind  
'cuz one of us  
had to draw the line  
i couldnt' give  
the things you want  
so here's your key  
i think we're done

chorus  
you made your mark  
and you scarred my heart  
(but it all goes away)  
cried in vain  
tried to end the pain  
(but it all goes away)

it's quiet now  
a shade of gray  
there is nothing  
left to say  
you have time  
on your side  
and in time  
you'll be alright

chorus  
ou made your mark  
and you scarred my heart  
(but it all goes away)  
cried in vain  
tried to end the pain  
(but it all goes away) (Repeat 2 x)

bridge

haaaaaaaaaa--aaaaahhhh goes away  
haaaaaaaaaa--aaaaahhhh goes away

all the pain it just goes away  
goes away  
goes away  
all the pain it just goes away  
goes away  
goes away

ou made your mark  
and you scarred my heart  
(but it all goes away)  
cried in vain  
tried to end the pain  
(but it all goes away)
