My dream with you
The sound of goodbye
I'm feeling so helpless
I need you beside me

I'm losing control
When I look in your eyes
I listen to your heart beating baby
I can't stop
I can't stop fallin'

I'm missing you baby
Try to remember
The sunrise
That kept us together

Oh baby please
I feel so lonely without you
I'm burning just like a fire
I'm burning for your desire
Oh baby please
I'm so lost without you
My heart is crying for you babe
Just feel my desire

My dream with you
The sound of goodbye
I'm feeling so helpless
I need you beside me

I'm losing control
When I look in your eyes
I listen to your heart beating baby
I can't stop
I can't stop fallin'

Oh baby please
I feel so lonely without you
I'm burning just like a fire
I'm burning for your desire
Oh baby please

I'm so lost without you
My heart is crying for you babe
Just feel my desire
