Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah

Take away my pain, I beg you
Take away my tears
Make me smile again and laugh with me
When I chase away my fears

'Cause you're my happy thought, baby
What makes me come around
Touch me one more time
I am yours to be found

Ooh, ooh, so come a little closer baby
Ooh, ooh, let's make a little love, baby
Ooh, ooh, ohh, yeah, yeah, yeah, yeah, yeah

Take away my pain, I beg you
Take away my tears
Sweep me of my feet and dance with me
When I dance away my fears

'Cause you're what makes me fly baby
What makes me come around
Touch me one more time
I am yours to be found

Ooh, ooh, so come a little closer baby
Ooh, ooh, make a little love baby
Ooh, ooh, ohh

For every dream we share
For everything that's true
You'll never see me cry again
It's all because of you

The future lies before us
It's there for us to take
Now, nothing's more important
Than the music we can make

Yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah

Ohh, ooh, ohh, so come a little closer baby

Ooh, ooh, make a little love, baby

Ooh, ooh, ohh, ohh, so come a little closer baby, yeah

Ohh, make a little love, baby, ooh, ooh, ohh

Yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah
