Say my hell is the closet

I'm stuck inside

Can't see the light

And my heaven is a nice house

in the sky

Got central heating

and I'm alright

Yeah, yeah, yeah...

can't see the light

Keep it locked up inside

don't talk about it

Talk about the weather

Can't see the light

Open up my head and let me out, little baby

Here we have been standing

for a long, long time

Treading trodden trails for a long, long time

I say my hell is the closet I'm stuck inside

Can't see the light

And my heaven is a nice house in the sky

Got central heating and I'm alright

Here we have been standing for a long, long time
Treading trodden trails for a long, long time
I find sometimes it's easy
to be myself
Sometimes I find it's better to be somebody else
I see you young and soft oh little baby
Little feet, little hands, little baby
One year of cryin' and the words creep up inside
Creep into your mind
So much to say
Here we have been standing for a long, long time
Treading trodden trails for a long, long time
I find sometimes it's easy
to be myself
Sometimes I find it's better
to be somebody else
So much to say
Open up my head and let me out
Little baby
