Say, my love, I came to you with best intentions

You laid down and gave to me just what I'm seeking

Love, you drive me to distraction

Hey my love do you believe that we might last a
thousand years

Or more if not for this,

our flesh and blood

It ties you and me right up

Tie me down

Celebrate we will

Because life is short but sweet for certain

We're climbing two by two

To be sure these days continue

These things we cannot change

Hey, my love, you came to me like wine comes to this
mouth

Grown tired of water all the time

You quench my heart and you quench my mind

Celebrate we will

Because life is short but

sweet for certain

We're climbing two by two

To be sure these days continue

The things we cannot

Celebrate, you and me, climbing two by two, to be sure

these days continue, things we cannot change

Oh, my love I came to you

with best intentions

You laid down and gave to me

just what I'm seeking

Celebrate we will

Because life is short

but sweet for certain

We're climbing two by two

To be sure these days continue

Things we cannot change...

Things we cannot change
