I'm an old pervert  
And I hang around under the bridge  
I'm an old pervert  
And I hang around under the bridge

I won't do you no harm  
I just wanna show you what's in my fridge  
So come on, little girl  
Is your name Hester or maybe it's Midge?

Well, they say that I'm weird  
And disinfectant is the only thing I drink  
They say that I'm weird  
And disinfectant is the only thing I drink

But cleanliness of the soul  
Is more important, don't you think?  
And I could show you  
One or two things right there in my sink  
So come on, baby

I'm an old pervert  
And I just don't get around much anymore  
I'm an old pervert  
And I don't get around much anymore

Sometimes I feel it  
Evaporating through the door  
But come on, pretty baby  
And I show you how I let you score  
Yeah, baby
