Out in the city  
Out in the street  
Isn't it pretty  
Isn't it neat

I like the decor  
I like the glass  
Inside the dummies  
Stare as pass

Hi dear, bye dear  
Get your and more  
Hi dear, bye dear  
Get your and more

I like the neon  
(I look oh so hard)  
I like the clash  
(I find it so confusing)  
I like the backdrops  
(Street after street look so alike)  
Window display  
(Don't know just what I'm doing)

I like the products  
(Seems like a maze to me)  
I pay the price  
(I feel the danger)  
There are so many  
(Nobody speaks to you)  
A man could get lost  
(When your a stranger)

Hi dear, bye dear  
Get your and more  
Hi dear, bye dear  
Get your and more

And more

Out in the city

A man could get lost  
Out in the neon  
A man could get lost  
A man could get lost  
A man could get lost  
A man could get lost  
A man could get lost  
A man could get lost
