You can be so difficult  
You bring the worst out in me  
You turn me into a human being  
With L O V E feelings  
You turn me into a human being  
With L O V E feelings

L O V E  
T R U E  
Feelings

Your hair's so dark and beautiful  
It thrills me when you kiss me  
What is this thing that they call  
L O V E feelings  
What is this thing that they call  
L O V E feelings

Feelings

You are the perfect company  
You never argue with me  
Mirror, mirror, on the wall
